

6 SEPTEMBER 2023

**TOWN BOARD MEETING
TOWN HALL, MAHOPAC, N.Y.**

A Regular Meeting of the Town Board of the Town of Carmel was called to order by Supervisor Michael Cazzari on the 6th day of September 2023 at 7:05 p.m. at Town Hall, 60 McAlpin Avenue, Mahopac, New York. Members of the Town Board present by roll call were: Councilman Baranowski, Councilman Lombardi, Councilwoman McDonough, Councilman Schanil and Supervisor Cazzari.

The Pledge of Allegiance to the Flag was observed prior to the start of official business. A moment of silence was held to honor those serving in the United States Armed Forces, as well as for those who continue to suffer in the wake of the deadly wildfires in Maui last month.

POLICE DEPARTMENT - OATH OF OFFICE ADMINISTERED - SERGEANT ERIN MACOM

Police Chief Anthony Hoffmann acknowledged recently retired Sergeant Michael Russo and thanked him for his twenty years of dedicated service with the Carmel Police Department. Chief Hoffmann went on to speak about Sergeant Macom and her exemplary contributions to the Carmel Police Department since joining the force in 2016 from the Harrison Police Department leading up to her promotion.

Supervisor Cazzari administered Sergeant Macom's oath of office and the members of the Town Board expressed their congratulations to her.

PUBLIC COMMENTS

Lisbeth Arce, Logan Road, spoke on behalf of her neighbors on Logan Road. Detailing their safety concerns, she pointed out that the only entrance into and exit from their cul-de-sac is located at a blind spot on Shear Hill Road. Ms. Arce stated that many vehicles travel Shear Hill Road at great speeds, and although there are many hills and valleys with blind spots along Shear Hill Road, other than the intersections at Croton Falls Road and Route 6, there are no stop signs. She inquired what the residents need to do to have a stop sign installed to control speeding.

Supervisor Cazzari stated that he would forward the neighbors complaint about the speeding vehicles to the Police Department. He explained that the Police Department and the Highway Department will be directed to perform a study of the area and they will report back to the Town Board with their recommendation as to whether or not a stop sign should be installed. Supervisor Cazzari did not believe that they will recommend a stop sign as they do not like to use stop signs for speed control, adding that it is not the purpose of a stop sign.

Ignazio Castiglia, Logan Road, voiced his concerns with regard to speeding vehicles on Shear Hill Road along with vehicles crossing the road into the opposite lane.

Supervisor Cazzari reiterated that he would address the matter with the Highway Department and the Police Department. Discussion was held regarding the previously mentioned safety concerns, as well as their concerns with regard to vehicles passing school buses stopped to load or unload students.

EMERGENCY REPAIRS ACKNOWLEDGED - CARMEL SEWER DISTRICT #4 - IACONO INC. - \$44,240.00, CARMEL WATER DISTRICT #12 - ED KUCK EXCAVATING INC. - \$10,209.96 AND CARMEL WATER DISTRICT #6 - D&S PUMP AND SUPPLY COMPANY, INC. - \$11,730.00

RESOLVED, the Town Board of the Town of Carmel, acting as Commissioners of the various water and sewer districts of the Town of Carmel, hereby acknowledges the emergency performance of water and sewer district collection system/distribution system and treatment facilities repairs as fully detailed in the revised memorandum of Town Engineer Richard J. Franzetti, P.E. to the Town Board dated August 9, 2023, as attached hereto and made a part thereof.

MEMORANDUM

To: Carmel Town Board

From: Richard J. Franzetti P.E. Town Engineer 

Date: August 9, 2023

Re: Emergency Repairs/Services

This memorandum is being presented to the Town Board to advise the Board of emergency invoices that were submitted for payment/authorization to proceed in excess of \$10,000.00 for services rendered. The following provides a brief summary of the work that was performed.

• Carmel Sewer District 4

On August 1, 2023 Inframark, the operators for CSD4, notified the Engineering Department that the motor and internal computer/PLC of one (1) of the two (2) air compressors required to process the CMF at CSD 4 has failed and replacement parts are no longer available.

The WWTP is currently operating on a single air compressor, which is the same make/model and age of the failed air compressor #2 (20 years).

The compressors supply the air for the CMF units' processes and actuators. They are necessary for the units to open and close valves and flush out the membranes. The CMF units cannot operate without them. Both air compressors are needed to be functioning in order to prevent the CMFs from entering machine shutdown when they complete air intensive processes such as backwashes, alternating units, CIPs, maintenance washes, and running both CMFs simultaneously.

This type of equipment is highly specific and varies from each individual plant. Due to the age of the system the units are no longer under warranty and a replacement in kind is no longer available. This Department therefore considers this particular manufacturer to be a sole source.

Attached please find a proposal for the replacement which includes the cost for the materials and installation by the manufacturer. The replacement cost is \$44,240.00

As an FYI these projects were completed as a Regulatory Upgrade and were financed through NYS EFC by the New York City Department of Environment Protection (NYCDEP) and the NYCDEP has approved this purchase and will reimburse the Town accordingly.

08-09-2023
Emergency Repairs/Services

- Carmel Water District 12

On July 23, 2023 Inframark, the operators for CWD12, notified the Engineering Department of a water leak between the water main and curb valve. It was determined that a saddle had failed. Attached is an invoice from Kuck Excavating in the amount of \$10,209.96 to make the repair. There are sufficient funds in the budget for this expense
- Carmel Water District 6

On August 2, 2023 Bee and Jay, the operators for CWD6 , notified the Engineering Department that the inter process communication (IPC) for the booster pumps at CWD 6 had failed. The booster pumps are required to provide water to the district. Attached is an invoice in the amount of \$11,730.00 from D&S Pump and Supply to provide new IPCs for the water treatment plant.

There are sufficient funds in the budget for this expense, the Board should note that the drive failed due to a lightning storm and will be submitted to the insurance company for reimbursement.

EXHIBIT "B"
Emergency Justification Form
Town of Carmel Procurement Policy

Procurement Policy, Section VI: Emergency Procurement

Subdivision (4) of General Municipal Law §103 sets forth an exception to purchasing and bidding requirements for emergency situations

Department: Engineering

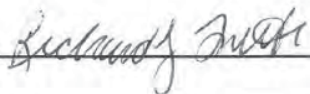

Vendor name: Iacono Inc

Nature of emergency: Replacement of (2) Air Compressors (Sole Source)

Estimated cost: See attached

There are three basic statutory criteria to be met in order to fall within the emergency purchase exception. State the basis for identifying an emergency purchase or service, check any that apply:

- ☒ The situation arose out of an accident or unforeseen occurrence or condition.
- ☐ Public buildings, public property, or the life, health, safety or property of the political sub-division's residents were affected.
- ☐ The situation required immediate action, which could not await competitive bidding.
- ☒ The emergency purchases or services exceeded **\$10,000** and will be submitted to the Town Board for presentation at a Town Board Meeting to acknowledge said emergency. A Town Board Resolution should be passed acknowledging the same.

Newburgh, NY 12550
United States

T: +1 845 228 0460
www.inframark.com

Date of Request: 8-1-23 Asset ID #: 1436 Air Compressor #1 Quote Expires: n/a
1437 Air Compressor #2

Item requested: **Emergency Request** for replacement of two (2) air compressors at CSD 4 CMF.

Purpose of item: Two air compressors are required for the process at CSD 4 CMF. The motor and internal computer / PLC of Air Compressor #2 are burned out and replacement parts are not longer available. We are currently running on just Air Compressor #1 and it is the same age as Air Compressor #2 (20 years). It has recently been overhauled but has also exceeded its life expectancy and is in need of replacement as soon as possible.

The compressors supply the air for the CMF units' processes and actuators. They are necessary for the units to open and close valves and flush out the membranes. The CMF units cannot operate without them.

We need both air compressors functioning properly in order to prevent the CMFs from entering machine shutdown when they complete air intensive processes such as backwashes, alternating units, CIPs, maintenance washes, and running both CMFs simultaneously. Having the CMFs enter machine shutdown mid-process due to low system air pressure is not healthy for the units and adds unneeded stress on the piping and actuating valves as they may be left in the wrong position either causing a water hammer or sending unregulated flow to an incorrect circuit of the CMF skid.

Estimated age of equipment to be replaced / repaired: 20 years

Estimated life expectancy of new equipment / repair: 20 years or less

Labor cost for installation and/or repair: n/a

SECTION I: PROCUREMENT POLICY OBJECTIVES

The following sets forth the policies and procedures of the Town of Carmel to meet the requirements of General Municipal Law, (GML) Sections 103 and 104.

PURPOSE

Goods and services which are required by law to be procured pursuant to competitive bidding must be procured in a manner so as to assure the prudent and economical use of public monies, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost, and to guard against favoritism, improvidence, extravagance, fraud and corruption. The Procurement Policy confirms the commitment of The Town of Carmel to ensure that its purchases of goods and services are made legally, fairly, prudently, competently, and at the lowest possible cost offered by responsible vendors. This Procurement Policy and General Municipal Law Sections 103 and 104 provide guidance to those involved in the purchasing process. The Town of Carmel adopts this following Procurement Policy in accordance with Section 104b of the General Municipal Law (GML) Procurement.

ANALYZE THE PROPOSED PROCUREMENT/PURCHASE

Generally, the official(s) responsible for making the particular procurement will make the initial determination as to how such purchases are to be made under New York State Law and this policy, as follows:

- Comply with New York State Law regarding Municipal Purchasing
- Determine whether an item is available under State or County contract
- For legal issues regarding the applicability of competitive bidding requirements, verify with the Town Legal Counsel, as appropriate
- In the case of a lease, determine that a document is a true lease and not an installment purchase contract
- Determine whether it is expected that over the course of the fiscal year, the Town will spend in excess of the competitive bidding thresholds for the same or similar items or services
- Promote timely procurement of goods and services for the daily operation
- Promote prudent spending of the funds by ensuring competition and obtaining maximum value for purchasing dollars spent
- Promote fair and open competition among vendors in an impartial manner
- Provide for uniformity in purchasing by all Town of Carmel Departments

SECTION II. CATEGORIES OF PROCUREMENTS/PURCHASING

It is important to distinguish between contracts for Public Works and Purchase Contracts, as these items are not defined in the General Municipal Law. This distinction is especially important because there is a \$15,000 difference between the bidding thresholds.

(Cont.)

Many times, contracts involve both goods and services and it is difficult to determine which bid limit to apply. Each procurement must be reviewed on a case-by-case basis and a determination must be made as to what kind of contract is involved. As a general rule, if the contract involves a substantial amount of services, such that it is the predominate element and goods are incorporated into the project, it will be considered a contract for public works. Conversely, if services or labor are only minimal or incidental to the acquisition of goods, (delivery, setup, installation or assembly) it is considered a purchase contract for goods.

If a Purchasing Agent is unclear whether the procurement is a ‘Purchase Contract’ or ‘Public Works Contract’ contact the Comptroller’s Office for guidance.

Refer to Procurement Methods Charts on Pages 6 and 7

PROCUREMENT METHODS USED FOR COMPETITIVE BIDDING

This chart identifies the procurement/purchasing categories subject to the Competitive Bidding Requirements of Section 103 GML or the Town Procurement Policy required by Section 104-b GML and where further information can be found.

Procurement Category	Subject to Competitive Bidding (§103)	Procurement Policy (§104-b)	Reference Law
Purchase and Public Works Contracts:			
1. Purchase Contract – Above \$20,000	X		103 GML
2. Purchase Contract – Below \$20,000		X	104 GML
3. Contract for Public Work – Above \$35,000	X		103 GML
4. Contract for Public Work – Below \$35,000		X	104 GML
Procurement Exempt from GML §103 and §104-b			
5. Agencies for Blind or Severely Handicapped, etc.		X	175-b SFL
6. Correctional Institutions		X	184 CL
7. State Contract *		X	104 GML
8. County Contract *		X	103(3) GML
Procurement Exempt from GML §103 and 104b			
9. Sole Source (See section III)		X	103(4) GML
10. Emergencies (See section IV)		X	103(4) GML
11. Professional Services (See Section V)		X	103(4) GML
12. True Leases		X	103(4) GML
13. Insurance		X	103(4) GML
14. Second-Hand Equipment from Another Government		X	103(6) GML

(Cont.)

Statutory Exceptions from These Policies and Procedures. Exceptions include procurements made pursuant to General Municipal Law, Section 103(3) (through county contracts) or Section 104 (through state contract), State Finance Law, Section 175-b (from agencies for the blind or other severely handicapped, special employment programs for the mentally ill or veteran’s workshops), and Correction Law, Section 186 (articles manufactured in correctional institutions).

*** The fact that a vendor is willing to meet or even provide pricing below an awarded State or County Bid Contract does not provide a basis for a contract or purchase award**

METHODS OF COMPETITION TO BE USED FOR NON-BID PROCUREMENTS
EXEMPT FROM GML103

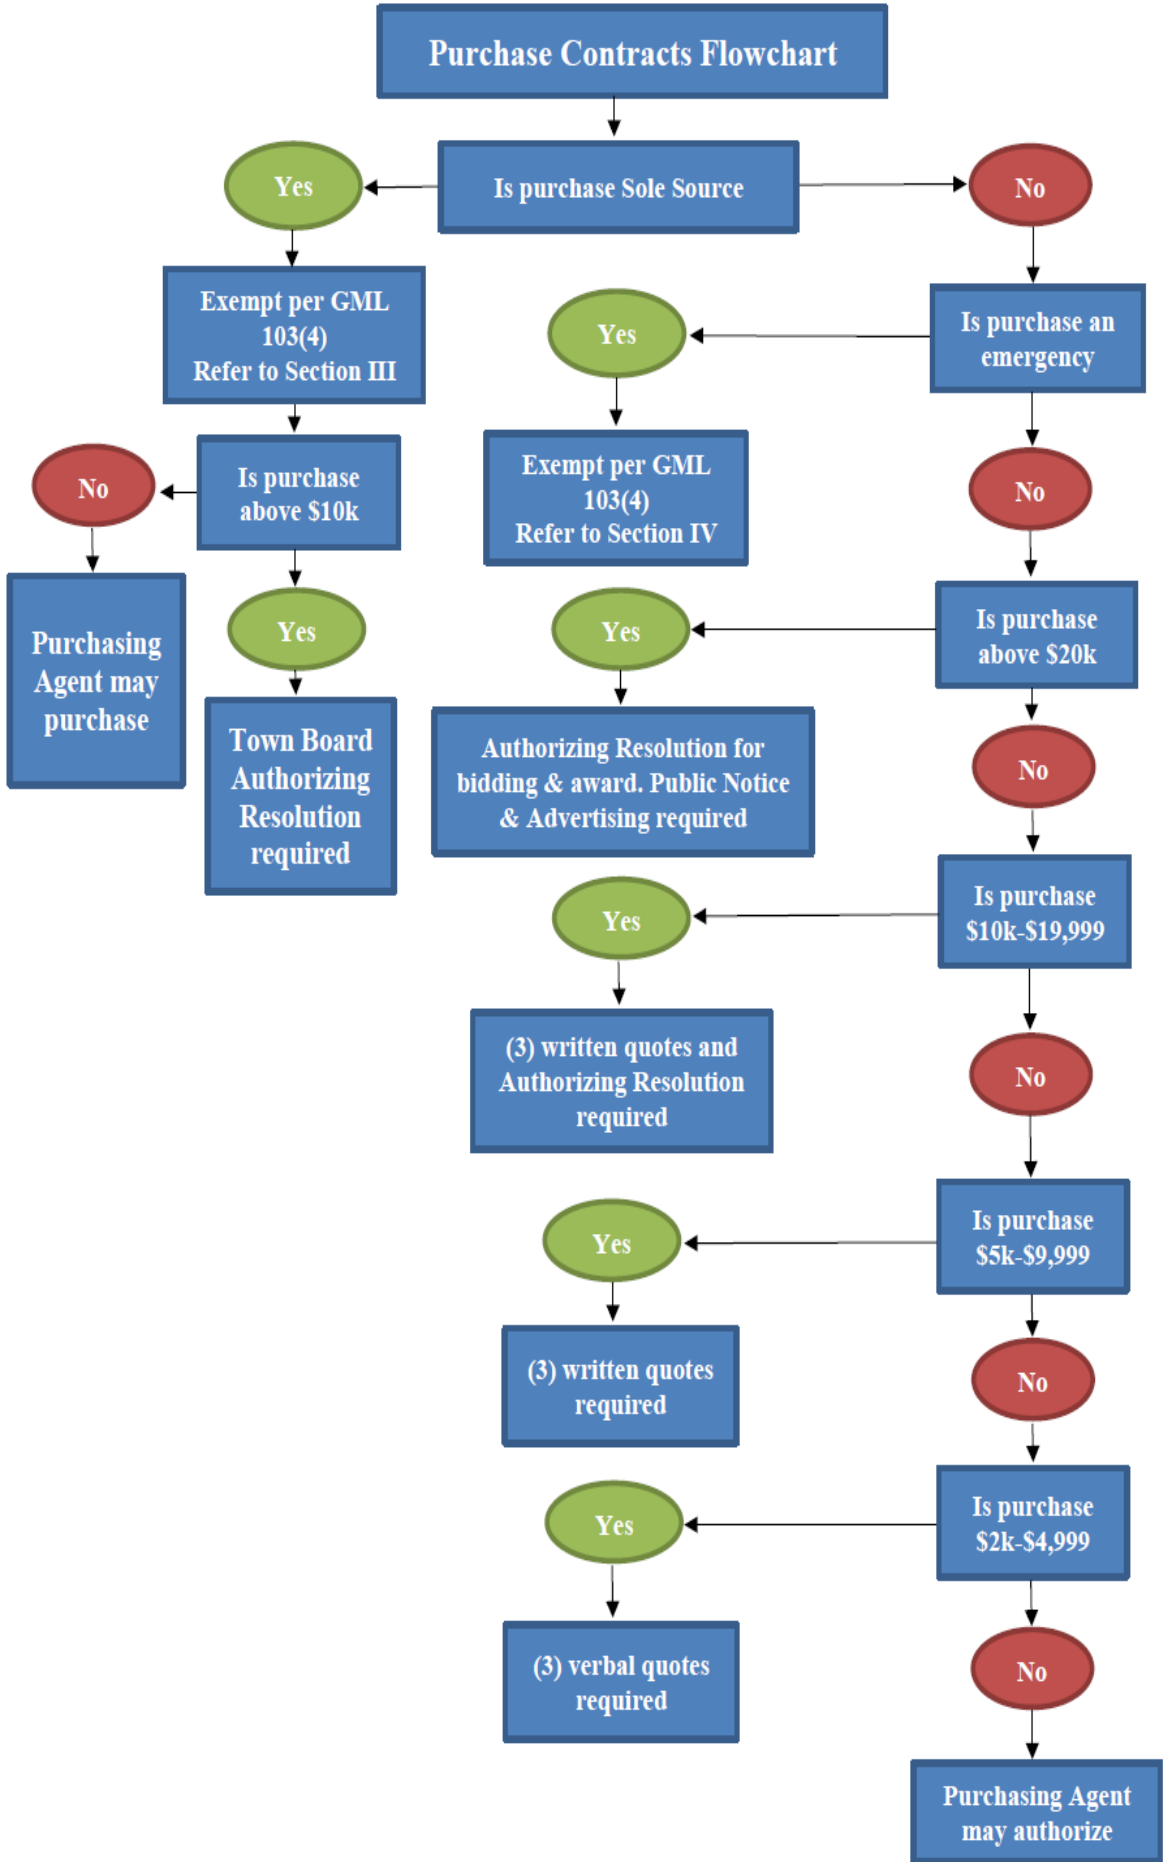

The Town Board of the Town of Carmel requires that the method to be used for seeking competition depends on the amount and type of procurement listed in the following chart.

TYPE AND AMOUNT OF PROCUREMENT	VERBAL QUOTES		WRITTEN QUOTES	WRITTEN QUOTES	OFFICIAL RFPS	EXEMPT PER GML
	0	3	3	3 AUTHORIZING RESOLUTION REQUIRED	AUTHORIZING RESOLUTION REQUIRED	
Purchase Contracts Below \$20,000						
Under 1,999	X					
2,000-4,999		X				
5,000-9,999			X			
10,000 – 19,999				X		
Public Work Contracts Below \$35,000						
Under 2,999	X

SECTION III. SOLE SOURCE

Competitive bidding is not required under §103 in the General Municipal Law in those limited situations when there is only one possible source from which to procure goods or services required to uniquely serve the public interest, for which there is no substantial equivalent and, which are, in fact, available from only one source. In making these determinations, the purchasing agent should document the unique benefits received as compared to other goods or services available in the marketplace; that no other goods or services provide substantially equivalent or similar benefits; and that, considering the benefits received, the cost is reasonable, when compared to other goods or services in the marketplace.

A Town Board Authorizing Resolution is required for Sole Source Purchases that exceed \$10,000

➤ (See Exhibit A) A Sole Source Justification Form must be completed, approved by the Purchasing Agent and accompany all paperwork submitted to the Comptroller's Office for payment. If the purchase will exceed \$10,000, a Town Board Authorizing Resolution is required.

Page 10 of 20

SECTION IV. EMERGENCIES

Subdivision (4) of General Municipal Law §103 sets forth an exception to purchasing and bidding requirements for emergency situations and provides as follows:

"Notwithstanding the provisions of subdivision one of this section, in the case of a public emergency arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting public buildings, public property or the life, health, safety or property of the inhabitants of a political subdivision or district therein, require immediate action which cannot await competitive bidding or competitive offering, contracts for public work or the purchase of supplies, material or equipment may be let by the appropriate officer, Council or agency of a political subdivision or district therein."

There are three basic statutory criteria to be met in order to fall within this exception:

1. The situation must arise out of an accident or unforeseen occurrence or condition;
2. Public buildings, public property, or the life, health, safety or property of the political sub-division's residents must be affected;
3. The situation must require immediate action, which cannot await competitive bidding.

In cases of emergency situations which meet the criteria above, the following procedures will be used:

1. Contact the vendor immediately and arrange the purchase or service.
2. If the emergency purchases or services were below \$10,000, an Emergency Justification Form must be completed, approved by the Purchasing Agent and accompany all paperwork submitted to the Comptroller's Office for payment, unless supporting documentation is available for submission which sufficiently meets the statutory criteria listed above.

(Cont.)

3. If the emergency purchases or services were above \$10,000, an Emergency Justification Form must be completed, approved by the Purchasing Agent and accompany all paperwork submitted to the Comptroller’s Office for payment. The box indicating that notification will be made to the Town Board must be checked and a Town Board Resolution should be passed acknowledging said emergency.

➤ (See Exhibit B) Emergency Justification Form

SECTION V. PROFESSIONAL SERVICES

One of the most prominent exceptions to competitive bidding is professional services. Professional services generally include services rendered by attorneys, engineers, auditors and certain other services requiring specialized or technical skills, expertise or knowledge, the exercise of professional judgment or a higher degree of creativity.

Professional services are specifically exempt from public bidding under GML 103(4). They are however subject to the application of this policy and require actions which are dependent upon the category that the professional service falls into and cost threshold.

For purposes of procurement, there are two general categories of Professional Services, those which have a **Finite Scope** and/or duration and those that are **Indeterminable** in scope at the time of engagement. It is important to identify which type at the outset, as the two types vary in procurement procedure. Where the professional service is identified as a Finite Scope refer to the chart for procurement requirements based upon various monetary thresholds. Where the professional service is Indeterminable a Town Board Resolution is required to engage the Professional.

FINITE SCOPE

Either a set project scope or a fixed duration where complete pricing can be determined at the time of engagement.

Examples:

- Engineering Design services for a project that involves the design, permitting and construction oversight of one thousand feet of water main in a known location. This example shows that a fixed price can be determined for this professional service.
- Planning Board Consultant for a period of one year where the scope of services is identified. This example also shows that a fixed price can be determined for a specific duration and scope.

AMOUNT OF PROCUREMENT	PROFESSIONAL SERVICE FINITE SCOPE APPROVAL REQUIREMENT
Under \$4,999	Recommendation of Purchasing Agent
\$5,000 - \$9,999	Recommendation of Purchasing Agent and with the approval of the Town Supervisor
\$10,000 - \$19,999	Prices will be obtained by formal written proposals from at least (3) sources and presented by the Department Head to the Town Board and the award will be made by an Authorizing Town Board Resolution
\$20,000 and Above	Prices will be obtained by RFP and presented by the Department Head to the Town Board and the award will be made by an Authorizing Town Board Resolution

(Cont.)

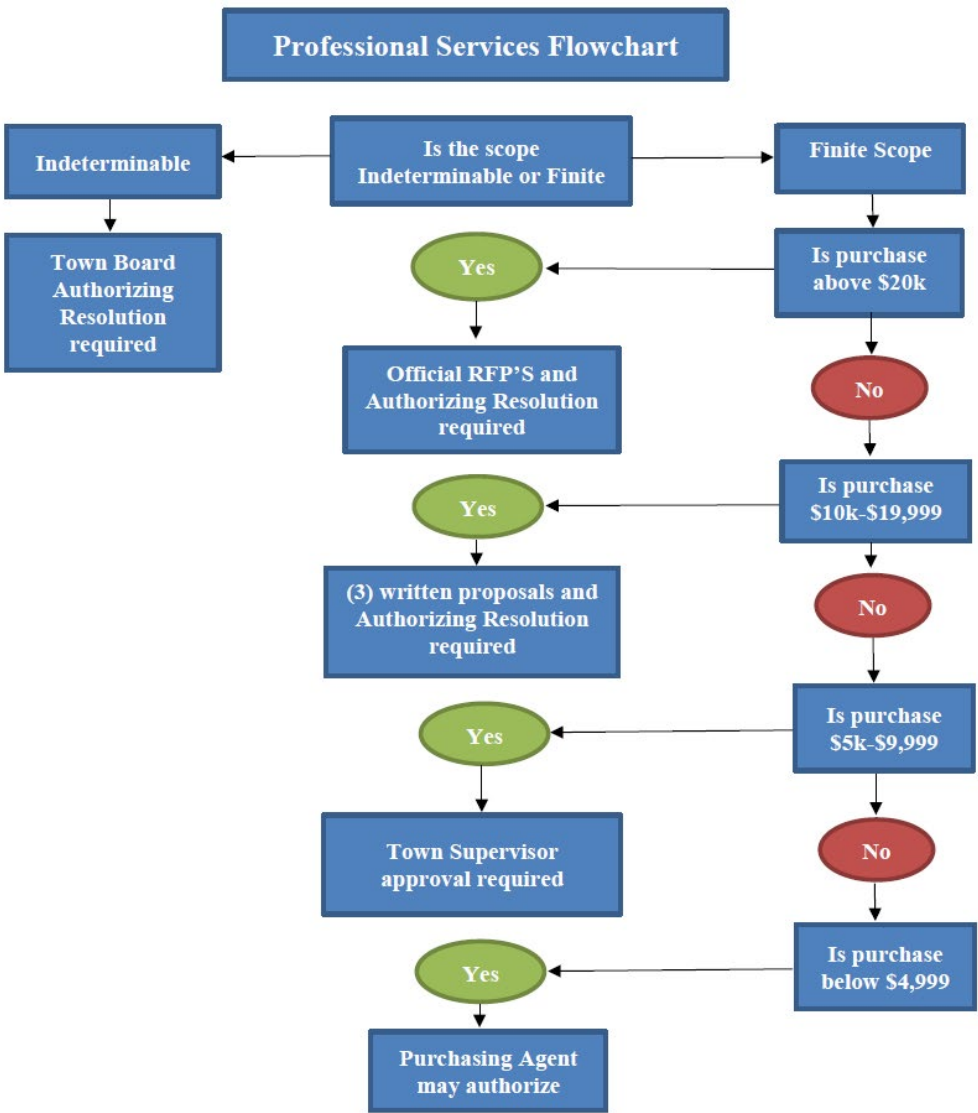

PROFESSIONAL SERVICES - continued

INDETERMINABLE

At the time of engagement of the professional service, the duration and/or scope and ultimate cost cannot be determined. A Town Board resolution is required to engage the Professional.

Example:

- The Town wishes to engage a law firm for representation in a lawsuit. The very nature of litigation makes it impossible to determine how long it will go on or what level of effort will be required to prosecute or defend the lawsuit.

(Cont.)

SECTION VI. PIGGYBACKING

GML 103(16) authorizes political subdivisions to purchase apparatus, material, equipment and supplies and to contract for services related to the installation, maintenance and repair of those items through the use of contracts let by the United States or any agency thereof, any state or any other political subdivision of district therein. In purchasing, this concept is known as “piggybacking”. While the above authorizes “piggybacking” on United States contracts and contracts of “any state”, by adoption of this procurement policy, the Town Board limits the application of “piggybacking” to only contracts of the State of New York or any municipal instrument of the State of New York (county, town, village or school district).

There are five prerequisites to the Piggybacking option:

1. In accordance with this policy, the contract must have been let by an Agency of the State of New York or political subdivision thereof (the Host). This is straight forward.
2. The contract must have been made available for use by other governmental entities. For this, you will need to examine the documents that were used by the Host in the procurement process. There must be language indicating in the solicitation that the Vendor understands that the bid price for a particular item will be extended to other entities. It is not enough that the Vendor unilaterally extends the pricing to the Town of Carmel.
3. You must compare the bid process followed by the Host with the process adopted by the Town of Carmel. In the case of Public Bids procured in compliance with GML 103, you may presume that the Host followed the law, which is the same law that the Town of Carmel is required to follow. However, in procurements that were made below the statutory thresholds (\$35,000 and \$20,000), you must look to the process followed by the Host and determine if that process substantially conforms to the Town of Carmel’s Procurement Policy in both monetary thresholds and authorizing authority (Purchasing Agent, Supervisor, Town Board). This is not a perfect test as procurement policies vary, but there should be a written explanation of why the procurement substantially complies with the Town’s policy.
4. Staleness- The cost of goods and services vary with time. Most of the time costs go up, but there are instances where prices decrease. The Purchasing Agent should look to the market conditions at the time of purchasing to ensure that the “piggyback” provides for pricing that is comparative to current pricing.
5. Monetary thresholds- Piggybacking does not eliminate Town Board Authorization where the procurement exceeds monetary thresholds. For Purchases and Public Work above \$10,000 a Town Board Authorizing Resolution is required.

If a Purchasing Agent is uncertain as to whether the Piggybacking can be utilized contact Comptroller’s Office for guidance.

SECTION VII. THE PURCHASING PROCESS

The purchasing process is designed to provide a system of internal control over purchasing, to ensure that the proper authorizations are obtained before items are purchased, and to ensure that Town of Carmel’s Procurement Policy is followed. A number of forms are generated as part of the purchasing process to document the validity of the purchases. It is imperative as a local government that we remain transparent in our fiscal matters.

(Cont.)

I. REQUISITIONS

The REQUISITION initiates a request to purchase goods or services from a vendor. Once all required quotes, bids, contracts, and resolutions are obtained a requisition must be entered into the KVS Financial Software System by the designated department representative. When entering a requisition written quotes are required to be uploaded in the “Attachments” tab. Verbal quotes may be noted in the “Memo” tab or uploaded in the “Attachments” tab using the Verbal Quotes Form (see EXHIBIT “C”). If the purchase is a sole source or emergency this must be indicated on the description line. At this time the correct appropriation number must be entered. If an account is over budget, a budget transfer request must be submitted to the Comptroller’s Office before proceeding. Upon completion of entering a requisition, an email will be sent to the authorized departmental purchasing agent for approval. Upon department approval the requisition will be reviewed by the Comptroller’s Office. If the department does not have access to KVS an email must be sent to the Comptroller’s Office with the details of the requested purchase.

II. PURCHASE ORDERS

Once a requisition has been fully approved, a purchase order will be created and a system generated email will be sent to the department representative that created the requisition. If the department does not have access to KVS once the requisition is approved a purchase order will be emailed to the departmental personnel requesting the purchase.

At this point the goods or services can be purchased from the vendor.

III. VOUCHERS/VENDOR CLAIM FORMS

The department representative should timely provide to the Comptroller’s Office the documents needed to approve and pay vendors’ invoices. These documents must include the purchase order, all invoices associated with the purchase, and a vendor claim form signed by the vendor and approved by the authorized departmental purchasing agent. Any required quotes, bids, contracts or resolutions must be attached to the submitted paperwork.

SECTION VIII. RESPONSIBLE PURCHASING AGENTS

Pursuant to Chapter 402 of the Laws of 2007, effective October 2022, as required under Section 104 of the NYS General Municipal Law, the Town is including the names of the municipal officials responsible for purchasing decisions, as follows:

<u>Position Title</u>	<u>Position Incumbent</u>
Town Supervisor	Michael Cazzari
Town Deputy Supervisor	Robert Schanil
Town Board	Stephen Baranowski
Town Board	Frank Lombardi
Town Board	Suzanne McDonough
Town Justice	Daniel Miller
Town Justice	Thomas Jacobellis
Court Clerk	Patricia Genna
Comptroller	Mary Ann Maxwell
Town Assessor	Glenn Droese
Town Clerk	Ann Spofford
Deputy Town Clerk	Alice Daly
Receiver of Taxes	Kathleen Kraus
Deputy Receiver of Taxes	Gary Kiernan
Town Civil Engineer	Richard Franzetti
Principal Account Clerk	Carol Ormsby
Highway Superintendent	Michael Simone
Deputy Highway Superintendent	Michael Martin
Chief of Police	Anthony Hoffmann
Lieutenant	Neil Brown
Lieutenant	Michael Bodo
Codes Enforcer	Michael Camazza
Director of Parks and Recreation	James Gilchrist

(Cont.)

UPDATING THE POLICIES AND PROCEDURES

The Town Board shall annually review these policies and procedures. The Comptroller’s Office shall be responsible for conducting an annual review of the Procurement Policy and for evaluation of the internal control structure established to ensure compliance with the procurement policy.

EXHIBIT “A”
Sole Source Justification Form
Town of Carmel Procurement Policy

Procurement Policy, Section V: Sole Source Procurement

A sole source procurement is justified when there is only one good or service that can reasonably meet the need *and* there is only one vendor who can provide the good or service.

Department: _____

Vendor name: _____

Goods or Services: _____

State the basis for identifying this vendor as a sole source, check any that apply:

- ☐ The vendor is the manufacturer of the product and has no distributors.
- ☐ The vendor is the only reseller of the manufacturer’s product in this geographic region.
- ☐ Item to be purchased is a supply for equipment which is under warranty, and use of any product other than specified will void the warranty.
- ☐ Item is proprietary and is additional product or software which must work with an existing system.
- ☐ This purchase will exceed **\$10,000** and will require a Town Board Authorizing Resolution.
- ☐ Other (provide explanation):

Purchasing Agent’s signature for approval: _____

Department Head’s signature for approval: _____

(Cont.)

EXHIBIT “B”
Emergency Justification Form
Town of Carmel Procurement Policy

Procurement Policy, Section VI: Emergency Procurement

Subdivision (4) of General Municipal Law §103 sets forth an exception to purchasing and bidding requirements for emergency situations

Department: _____

Vendor names: _____

Nature of emergency: _____

Estimated cost: _____

There are three basic statutory criteria to be met in order to fall within the emergency purchase exception. State the basis for identifying an emergency purchase or service, check any that apply:

- ☐ The situation arose out of an accident or unforeseen occurrence or condition.
- ☐ Public buildings, public property, or the life, health, safety or property of the political sub-division's residents were affected.
- ☐ The situation required immediate action, which could not await competitive bidding.
- ☐ The emergency purchases or services exceeded **\$10,000** and will be submitted to the Town Board for presentation at a Town Board Meeting to acknowledge said emergency. A Town Board Resolution should be passed acknowledging the same.
- ☐ Other (provide explanation): _____

Purchasing Agent’s signature for approval: _____

Department Head’s signature for approval: _____

Purchase Contracts \$2,000-\$4,999 ~ Public Work Contracts \$3,000-\$5,999

6 SEPTEMBER 2023
TOWN BOARD MEETING

(Cont.)

Date: _____

Department: _____

Quotes received by: _____

Vendor:	1.		2.		3.	
Telephone Number:						
Contact Person's Name:						
Description	Unit Price	Amount	Unit Price	Amount	Unit Price	Amount

Supervisor Cazzari explained that the Procurement Policy was amended to remove the recently retired lieutenants from the list of purchasing agents and replaced with the current ones so that they are authorized to make purchases.

COMMENTS/ANNOUNCEMENTS

Councilman Baranowski announced that there will be a Back the Blue annual walk on September 17, 2023 commencing at 12:15 p.m. He noted that there is a change in venue from last year, from East Lake Boulevard to Camarda Park.

Councilman Schanil acknowledged the staff in the Building Department for their efforts in connection with the extensive clean-up of the abandoned gas station property on Fowler Avenue.

Councilman Baranowski acknowledged Councilman Schanil's efforts in the clean-up as well and a brief discussion was held.

ADJOURNMENT

All agenda items having been addressed, on motion by Councilman Lombardi, seconded by Councilwoman McDonough, with all Town Board members present and in agreement, the meeting was adjourned at 7:33 p.m. to Executive Session with Town Attorney Gregory Folchetti to discuss regulatory matters under attorney-client privilege.

Respectfully submitted,

Ann Spofford, Town Clerk
