## Orion 10" Calm Water Containment Boom 100' Section (Yellow)

Your Price: \$718.65

Part Number: 705AK-100A

4" Closed cell floatation

22oz Yellow PVC

1/4" galvanized steel chain

6" skirt depth

Made from a marine grade PVC in high-visibility yellow\*, these barriers are designed for a wide variety of purposes. Whether you are blocking the spread of aquatic plants, containing trash and debris, or demarcating swimming areas, Orion boom is a perfect fit for your needs.

\*Unless specified otherwise, the Orion boom comes in high-visibility yellow. (For custom orders using either international (safety) orange, dark green, or black PVC, please call or email us for a quote.)

Orion boom has a variety of uses, ranging from protecting Caribbean islands from sargassum seaweed to collecting golf balls at your local driving range. Because of its strength and durability it is a favorite of construction, recreation, and environmental protection companies as well as homeowners.

# NOTES

1. All work is within 100' buffer.
2. Install floating boom when any leak occurs outside of silt fence line.
3. Provide spill kit on site whenever equipment or tanks on hand.
4. Excavation works by hand.
5. Any pumped liquids to be filtered for solids prior to pumping.
