RE: MK Realty Site Plan
U.S. Route 6 and Old Route 6
Tax Map #55.06-1-44 & 45
Town of Carmel Wetland Permit #844

Dear Chairman and Members of the Board:

This letter has been prepared to request an approval extension of Wetland Permit #844. At the time of the last wetland permit extension in August of 2018, your Board had decided to amend the permit to have run concurrently with the Planning Board Site Plan Approval which was set to expire in March of 2019. The applicant received a re-grant of Site Plan Approval at the February 27, 2019 Planning Board meeting and is now seeking extension of the wetland permit. Enclosed herewith please find the updated Approval List for the Board's reference.

The project plans have not changed and no construction activities have taken place on the property since the wetland permit was issued by your Board in 2011. As you are aware, the applicant is actively searching for a user for the approved commercial development of the site. Should any site plan revisions be required in support of a potential user on the property, it is understood that an amended site plan approval will be required by the Planning Board and a new wetland permit will be required from your Board.

If you have any questions or comments, please feel free to contact our office.

Very truly yours,

INSITE ENGINEERING, SURVEYING & LANDSCAPE ARCHITECTURE, P.C.
