Agreement with Worksite Sponsor- Town of Carmel

THIS AGREEMENT made the 6 day of August 2012, by and between the Department of Social Services in the COUNTY OF PUTNAM, with offices located at 110 Old Route 6, Carmel, New York (hereinafter "COUNTY"), and TOWN OF CARMEL, with offices at Carmel Town Hall, 60 McAlpin Avenue, Mahopac, New York 10541 (hereinafter "SPONSOR"):

WHEREAS, the COUNTY is charged with receiving and administering federal funds to be used for work experience and work activities through federally funded programs pursuant to, among other things, the Youth Program section of the Workforce Investment Act, conducted in accordance with State Social Services Law and regulations; and

WHEREAS, such work experience/activities may include the operation of an activity of a governmental unit, a non-profit agency or an institution, pursuant to an agreement with the COUNTY in accordance with state law and regulations; and

WHEREAS, SPONSOR is a state or federal government institution, a municipality or subdivision of a municipality, a public agency, or a public or private non-profit entity, and desires to provide work experience/activities for children pursuant to the Youth Program section of the Workforce Investment Act under an agreement complying with such provision of law and regulations.

NOW, THEREFORE, it is agreed that:

1. The COUNTY shall assign participants to the SPONSOR who shall provide work experience and assign work activities to such participants in accordance with the provisions of this Agreement and applicable laws and regulations.

2. Work experience/activities by the participants assigned will take place at Town of Carmel, Town Hall, 60 McAlpin Avenue, Mahopac, New York (the "Worksite"). The work experience/activities assigned must serve a useful purpose and shall include, but not be limited to, building and grounds general clean-up, mowing, weed-whacking, planting, cleaning TOWN vehicles, as well as general office and clerical work, including answering phones, sorting mail, filing and computer data entry at the Worksite.
3. The assignment of a participant to a work experience/activity must not result in:
  - a. the displacement of any current employee or loss of job or position, including partial displacement such as the reduction of hours of non-overtime work, wages or employment benefits, or result in the impairment of existing contracts for services or collective bargaining agreements;
  - b. the assignment of a participant to a work experience/activity when an employee is on layoff from the same or any equivalent position, or the employer has terminated the employment of any regular employee or otherwise has reduced its workforce with the effect of filling the resultant functional vacancy with such participant;
  - c. any infringement of the promotional opportunities of SPONSOR's employees;
  - d. the performance by such participant of a substantial portion of the work ordinarily and actually performed by SPONSOR's regular employees;
  - e. the loss of a bargaining unit position as a result of the participant performing, in whole or in part, the work normally performed by the employee in such position.

4. Work experience/activity assignments shall not be made at any worksite at which the regular employees are on a legal strike against the employer or are being subjected to a lock out by the employer.
5. No participant shall be assigned to a work experience/activity that conflicts with his/her bona fide religious beliefs.
6. The COUNTY will advise the SPONSOR as to the number of mandatory hours for which each participant may participate in the work experience/activity each week. The COUNTY shall be responsible to compensate each participant for work experience/activity(s) performed by such participant. A participant shall be entitled to an hourly wage of up to \$10.00 per hour but in no event may a participant work more than (35) hours per week. The limitation of the number of hours of work experience/activity(s) to which a participant may be assigned does not mean that such participant is receiving a wage for the performance of such activity(s).
7. The COUNTY will advise the SPONSOR as to any limitations a participant may have with regards to the nature of the work experience/activity(s) in which they may participate; participants will be required to perform only those activities that are within their physical capabilities.
8. The SPONSOR will maintain and provide, as requested by the COUNTY, time records with respect to each participant's work experience/activity(s) and SPONSOR shall ensure that such time records include the SPONSOR's name and address, the participant's name, the participant's hours worked in work experience/activity(s) and the period covered by such particular time records. The SPONSOR will notify the COUNTY if a participant refuses/fails to perform assigned work experience/activity(s).

9. The SPONSOR warrants that it will not discriminate on the grounds of age, race, color, religion, sex, national origin, or mental or physical disability.
10. Participants shall not be required to travel an unreasonable distance from their homes (generally speaking, a round trip lasting more than two hours) or to remain away from their home overnight for the purpose of participating in work experience/activity(s).
11. The SPONSOR shall provide each participant workers' compensation coverage or equivalent protection for on-the-job injuries and tort claims protection on the same basis, albeit not necessarily at the same benefit level, as such protections are provided to SPONSOR's employees.
12. The SPONSOR shall promptly notify the COUNTY of a participant's absence (whether for illness or other) except when such absence is on a pre-planned basis approved by the COUNTY. Such notification shall include prompt telephone notice to the COUNTY followed by written confirmation, if requested. Additionally, the SPONSOR shall report to the COUNTY any injury or illness of any participant.
13. The SPONSOR shall provide adequate supervision to the participant. The SPONSOR will review the performance and attitude of all participants with a COUNTY representative at regular and mutually convenient intervals.
14. The SPONSOR will establish and maintain appropriate standards of health, safety and other work conditions to ensure that participants are adequately protected against hazards or activities that may adversely affect their health and/or safety. Such standards shall meet or exceed those required by public employee safety and health standards as established by New York State Labor Law §27-a.

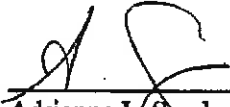

15. The COUNTY will provide transportation or will meet the cost of transportation and provide other supportive services as may be required by participants.
16. The SPONSOR shall provide any special clothing, specific tools and/or equipment that may be required for the participants to perform work experience/activity(s).
17. Participants may be required to operate a motor vehicle in the course of executing work experience/activity(s). In such case, the SPONSOR shall provide the motor vehicle and shall also provide adequate liability insurance for such motor vehicle, which insurance shall cover the participant operating such vehicle. Only properly licensed participants may be assigned such work experience/activity(s).
18. The SPONSOR may terminate the work experience/activity(s) of any participant provided the COUNTY is promptly furnished by the SPONSOR with a written evaluation of the participant's performance and the reason for such termination.
19. The SPONSOR may offer temporary or permanent employment to any participant provided the SPONSOR furnishes the COUNTY written notice of such offer of employment and the participant's acceptance or rejection thereof, including job description, wages and date of prospective employment.
20. The SPONSOR agrees to indemnify and save harmless the State of New York and the County of Putnam, their officers, employees and agents from and against all liability, loss or damage they may suffer as a result of any claims, demands, costs, judgments or damages to state or county property in the care, custody or control of the SPONSOR arising directly or indirectly out of this Agreement, including losses arising out of the negligent acts or omissions of the SPONSOR. The SPONSOR further agrees to provide defense for and defend any claims or causes of action of any kind or character directly or

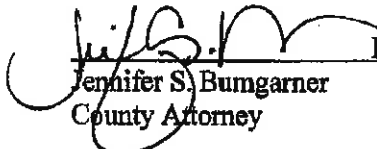

indirectly arising out of this Agreement, at its sole cost and expense, and agrees to bear all other costs and expenses relating thereto. The foregoing provisions shall not be construed to cause the SPONSOR to indemnify the State of New York and County of Putnam, their officers, agents or employees from its or their sole negligence. The SPONSOR further affirms that it will comply in the performance of the Agreement with all applicable provisions of the Labor Law, Workers' Compensation Law, State Employment Insurance Law, State General Obligations Law, Federal Social Security Law and any and all rules and regulations promulgated by the U.S. Department of Health and Human Services, the Commissioner of Labor of the State of New York, and any other applicable laws, rules and regulations.

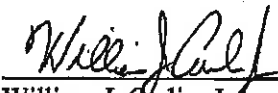

21. This Agreement shall take effect on July 1, 2012 and terminate on June 30, 2014.
22. The COUNTY, upon ten (10) days' notice to the SPONSOR, may terminate this Agreement, in whole or in part, when the COUNTY deems it to be in its best interest.
23. The SPONSOR, upon thirty (30) days' notice to the COUNTY, may terminate this Agreement, in whole or in part, when the SPONSOR deems it to be in its best interest.
24. This Agreement shall not be modified except by further written agreement signed by both parties.
