B. Exceptions. This article shall not apply to:
(1) Funeral processions;
(2) Wedding processions ;
(3) Students going to and from school, classes or participating in educational activities, provided that such conduct is under the immediate direction and supervision of the proper

school authorities;
44-5 Application.
A. A person seeking issuance of a parade or event permit shall file an application with the Chief of Police or his designee on forms provided by the Chief of Police or his designee.
B. Contents. The application for a parade or event permit shall set forth the following information:
(1) The name, address and telephone number of the person or persons seeking to conduct such parade or event.
(2) If the parade or event is proposed to be conducted for, on behalf of or by an organization, the name, address and telephone number of the headquarters of the organization and of the authorized and responsible heads of such organization.
(3) The name, address and telephone number of the person who will be the Parade or Event Chairman and who will be responsible for its conduct.
(4) The date when the parade or event is to be conducted.
(5) The route to be traveled, the starting point and the termination point if it is a parade and the fixed location or locations if it is an event without any procession.
(6) The approximate number of persons, animals and vehicles which will constitute such parade or event, including the type of animals and the description of the participating vehicles.
(7) The hours when such parade or event will start and terminate.
(8) A statement as to whether a parade or event will occupy all or only a portion of width of the streets proposed to be utilized or traversed.
(9) The location by streets or physical address of any assembly or staging areas for such parade or event to include proposed parking areas. Applicant must specify what traffic detour devices or barricades may be necessary for event.
(10) The time at which units or persons involved in the parade or event will begin to assemble or stage at any such assembly or staging area.
(11) If the parade or event is designed to be held by, and on behalf of or for, any person other than the applicant, the applicant for such permit shall file with the Chief of Police or his designee a communication, in writing, from the person proposing to hold the parade or event authorizing the applicant to apply for the permit on his or her behalf.
(12) An agreement and affirmation that the persons or organization applying for the permit will prepay the applicable costs and fees for the event as determined by the parade /event fee schedule (See 44-13).
44-6 Standards for issuance.
The Chief of Police or his designee shall issue a permit as provided for hereunder when, from a consideration of the application and from such other information as may otherwise be obtained, he finds that:
A. The conduct of the parade or event will not

substantially interrupt the safe and orderly movement of other traffic contiguous to its route or location.
B. The conduct of the parade or event will not require the diversion of so great a number of police officers of the town to properly police the line of movement and the areas contiguous thereto as to prevent normal police protection to the town.
C. The concentration of persons, animals and vehicles at assembly or staging areas of the parade or event and the conduct thereof will not unduly interfere with proper fire and police protection of or ambulance services to areas contiguous to such assembly or staging areas and the town in general.
D. The conduct of such parade or event will not interfere with the movement of fire-fighting equipment en route to a fire or normal ambulance service.
E. The parade or event is scheduled to move from its point of origin to its point of termination expeditiously and without unreasonable delays en route.
F. The parade or event is not designed to be held purely for private profit.
G. The pre-paid fees for the proposed parade or event as set forth in article (44-13) has been received in full by the Town Clerk of the Town of Carmel.
44-7 Time limit for decision; denial.
The Chief of Police or his designee shall act upon the permit within 30 days of its receipt. If the Chief of Police or his designee disapproves the application, notice thereof, including the reasons for the denial shall be promptly given to the applicant.
44-8 Alternative Permit.
The Chief of Police or his designee, in denying an application for a parade or event permit, shall be empowered to authorize the conduct of the parade or event on a date, at a time, location or over a route different from that named by the applicant, if so requested by the applicant.
44-9 Appeal from denial of permit.
Any applicant denied a parade or event permit by the Chief of Police or his designee may appeal, in writing, to the Town Board within 10 days of the denial. The time to so appeal may be extended, at the discretion of the Town Board. The applicant, upon appeal, shall be entitled to argue its case before the Town Board. The Town Board is hereby empowered to affirm, modify or reverse the decision of the Chief of Police or his designee. The Town Board may attach any conditions to a permit, should it determine the permit should be granted.
44-10 Contents of permit.
Each parade /event permit shall state the following information.
A. The starting time and estimated time of termination.
B. The portions of the streets to be traversed and the areas or locations to be occupied by the parade or event.
C. The maximum length

in the case of a parade in miles or fractions thereof.
D. Other Town services requested or required.
E. Fire and or EMS requested or required.
F. Such other information as the Chief of Police or his designee shall find necessary for the enforcement of this article.
44-11 Duties and Obligations of Parade or Event Permittee / Participants.
A. A permittee hereunder shall comply with all permit directions and conditions and with all applicable laws.
B. Possession of permit. The Parade or event Chairman or other person heading or leading such activity shall carry the parade or event permit upon his or her person during the duration of the parade or event.
C. No parade participant may throw candy or any other item to Parade spectators. Any entry with participants throwing items will be removed from the Parade by the applicant/director and/or the Police Dept. Walkers may hand items to spectators only and there will be no exceptions to this rule.
D. No one shall be permitted to board or exit from a float once the parade has commenced.
E. Drivers of any and all vehicles in the parade areas must possess a valid driver's license and be at least 18 years of age. Drivers must remain seated in the driver's seat for the duration of the parade and no vehicles will be left unattended.
F. All pets in the Parade must be kept on leashes and held by someone strong enough to manage them. Animals participating in the Parade must be kept under control. If you cannot control your animal or its presence presents any safety issue, please leave the Parade area with your animal rather than risk a problem.
G. Entries involving animals of any kind must provide their own cleanup, or "pooper scooper," immediately following their entry.
H. Participants on bicycles, scooters, skates, skateboards, etc. must wear a helmet and proper safety equipment.
I. Floats must have proper safety chains to connect the float to the tow vehicle.
J. Support vehicles for marching units will not be allowed in the parade.
K. All vehicular entries shall proceed at a safe and appropriate speed. shall maintain a safe distance from spectators and shall not weave from side to side. They will obey all applicable NYS Vehicle and Traffic Laws during the Parade or Event.
L. Parade units and floats that stop along the parade route due to mechanical malfunctions must be removed from the parade route as to not impede, obstruct or delay parade participants.
M. All participants, in consideration of participation in this event, agree to indemnify, hold harmless and release the

Town of Carmel, its agents and employees, from any and all liability from any injury or damage which may arise out of or in any way be connected with participation in the Parade or Event.
N. Any street vendor proposed to be part of the Parade / Event must first obtain the applicable permit(s) from the Town of Carmel Clerks Office pursuant to Town Code section 111 (Peddling and Soliciting) before offering any items for sale during the duration of the Parade or Event.
44-12 Interference with parade or event; parking on route or location.
A. Interference. No person shall unreasonably hamper, obstruct, impede or interfere with any parade or event or with any person, vehicle or animal participating or used in a parade or event during the course of an event.
B. Driving through parades. No driver of a vehicle shall drive between the vehicles or persons comprising a parade when such vehicles or persons are in motion and are conspicuously designated as a parade.
C. Parking on parade route. The Chief of Police or his designee shall have the authority, when reasonably necessary, to prohibit or restrict the parking of vehicles along a highway or part thereof constituting a part of a route of a parade or event. The Chief of Police may post signs to such effect and it shall be unlawful for any person to park or leave unattended any vehicle in violation thereof.
44-13 Fee schedule for parades and events.
The Town Board of the Town of Carmel shall annually establish a fee schedule for parades and events to mitigate the increasing costs associated with the public safety assets required to host these events. The fee schedule shall be broken down into three categories (1, 2 and 3) respectively, each reflecting staffing hours associated with hosting proposed events. The Town Board reserves the right to waive or modify the fee schedule at their discretion, and may seek the input and recommendations of the Chief of Police with respect to same.
A. Category (1) A major parade or event requiring 50 or more staffing hours.
B. Category (2) A secondary parade or event requiring 25 or more staffing hours.
C. Category (3) A minor event requiring less than 25 staffing hours.
At said Public Hearing, all interested persons shall be heard on the subject thereof. The Town Board will make every effort to assure that the Public Hearing is accessible to persons with disabilities. Anyone requiring special assistance and/or reasonable accommodations should contact the Town Clerk.
By Order of the Town Board of the Town of Carmel
Ann Spofford, Town Clerk

TOWN BOARD MEETING**

Councilman Lombardi explained that reading of the Notice of Public Hearing was waived because after speaking with members of the public in connection with the proposed Local Law, he decided that he would be presenting a compromise to the legislation as published. He stated with regard to Section 44-13 Fee Schedule for Parades and Events, that there will be no fees imposed for 2016 and that if there is ever a time in the future when the Town Board requires financial assistance from parade organizers, a Public Hearing will be held to allow the public to participate in the discussion. In addition, Councilman Lombardi asked that the sentence under Section 44-13 which states, "The Town Board reserves the right to waive or modify the fee schedule at their discretion," be removed because the Town Board does not want to be put into a situation where the fees may be waived for some and not for others.

Councilman Lombardi confirmed with Gregory Folchetti, Legal Counsel that because a substantive change to the proposed Local Law is being made, a new Public Hearing must be scheduled and that it may be held as early as the end of February.

Supervisor Schmitt opened the Public Hearing for public comment at 7:20 p.m. Thirty-five (35) people were in attendance.

Patrick O'Malley, chairman of the Northern Westchester-Putnam St. Patrick's Day Parade committee, stated that in the almost forty years that the parade has been held, there has never been an issue in connection with their parades. He stated that the general consensus of the committee is that there is no need to adopt the proposed Local Law. Mr. O'Malley commented that the committee would like the parade to remain in Carmel. However, the added expense to its budget may force the committee to look elsewhere to conduct it. Mr. O'Malley commented that the cost of police and highway department services to assist with the parade is already included in the taxes paid to the Town and that special events such as the parade, benefit the entire community. He expressed his appreciation to the Town Board for proposing to remove the fee and commented that it was a step in the right direction. Mr. O'Malley concluded by reiterating his opposition to any law going into effect to regulate parades and events.

John Malloy, member of the Northern Westchester-Putnam St. Patrick's Day Parade committee, stated that the Federal Constitution gives the people the right to assembly and that any effort by a government arm to remove part of that right must be supported by a public safety reason. He commented that there is no safety reason with regard to the local parades. Mr. Malloy stated that although New York State Town Law Section 170 gives the right to regulate parades and events, similar to Mr. O'Malley, he is opposed to this proposed Local Law. Mr. Malloy also agreed with Mr. O'Malley that the legislation is unnecessary. He commented that if it is an effort to defray the costs to the Town, the cost is non-existent as this is something that people do for the Town to show it in the best possible light. Mr. Malloy went on to comment on the amount of vacant lots and commercial properties on Route 6 and the need for remedial action. He stated that if the Town Board is looking to raise money to defray the cost of police services in connection with parades, build one building on one of the vacant lots to generate the taxes to pay for it.

Supervisor Schmitt pointed out that the construction of a building would be up to the property owner, not the Town of Carmel.

Mr. Malloy commented that it is up to the Town Board to create the "brand" of Mahopac and Carmel to attract people to come here. He went on to comment that the proposed Local Law is ambiguous, noting that the Town Board meeting as well as a Sunday Mass would be defined as an event requiring a permit under the proposed Local Law. Mr. Malloy stated that with regard to control, the events that are currently held reflect the values of this community and that there are organizations that don't reflect the same values which probably should be kept out of the Town. He stated that it cannot be done if a statute is created.

20 JANUARY 2016
TOWN BOARD MEETING

(Cont.)

Supervisor Schmitt explained that a local law to regulate parades and events was proposed by the Carmel Police Department. Lt. Brian Karst began drafting the legislation in 2010 or 2011 from a law enforcement perspective because of the number of parades and events being held within the Town. Supervisor Schmitt clarified that the establishment of a fee is just a small part of the legislation, and that much of the legislation deals with safety and control. He stated that the Town Board welcomes every parade and event, but there must be regulations put in place. Supervisor Schmitt acknowledged the opposition to the fees and stated that the proposed Local Law would be modified in connection therewith.

Councilman Lupinacci added that the Town Board agrees with the Police Department with regard to the need for the legislation.

Councilman Lombardi stated that the reason that the legislation was proposed was that there have been occasions when there has been multiple events going on at the same time throughout the Town that all require police services and that the creation of an "event calendar" would assist the Police Department in providing coverage.

Mr. Malloy reiterated his position that the definition of event included in the statute is ambiguous and therefore it is unenforceable. He added that he did not see how a permit would make an event or parade safer.

Supervisor Schmitt stated that the safety aspect is not the application or the permit. It is what is included in the legislation. He pointed out that one of the first people that the applicant is required to meet with is the Chief of Police or his designee because they are the ones who will provide the traffic safety and crowd control.

Mr. Malloy commented that this Local Law would be an unfunded mandate because the organizations are being given work to do and forms to fill out without the funding to do so.

Councilman Schneider explained that this would not be an unfunded mandate because it has been determined that there will be no fee involved. He asked Mr. Malloy if in addition to the definition of an event, there was anything else in the proposed Local Law that he had an issue with.

Mr. Malloy stated that he was not prepared to formulate the words for a statute at this time. However, would volunteer to work on it and meet in two weeks with the wording he deems appropriate.

Councilman Schneider indicated that he was fine with that.

Supervisor Schmitt stated that he preferred that Mr. Malloy identify his proposed changes with respect to the Local Law at a public meeting.

Councilman Schneider addressed Mr. Malloy's comments concerning the appearance of the Town as well as the need to attract new commercial development and cited the Town Board's efforts to improve its infrastructure.

Mr. O'Malley asked if there was a way that the organizations can be advised of the Police Department's concerns and noted that his organization is meeting with the Police Chief every year.

Councilman Lombardi pointed out that the legislation was not directed at one parade. He reiterated that there are times when multiple events are being held at the same time that all deserve public safety and manpower from the Town.

**20 JANUARY 2016
TOWN BOARD MEETING**

(Cont.)

Councilman Schneider suggested that there are options to resolve the manpower and coordination issues. He mentioned that when he lived in North Carolina, retired sheriffs, retired military and fire department personnel, as well as people with communications training would volunteer at public events and large gatherings.

Faith Ann Butcher, Greater Mahopac-Carmel Chamber of Commerce treasurer, detailed a list of events held annually in the Town and commented that these events are the reason why she moved into the community. She pointed out that the local businesses rely on these events to attract customers. Ms. Butcher stated that the Northern Westchester-Putnam St. Patrick's Day Parade could easily move to Yorktown where they do not charge a fee and that this would have a significant impact on the commercial establishments along the Route 6 corridor. She stated that on Memorial Day and Veterans Day we should be honoring those who served, not charging them to have a parade. Ms. Butcher stated that the decades of mismanagement of the finances of the Town should not be placed on the backs of the first responders, veterans and non-profit organizations. She concluded that she supports permits and schedules but not charging for them.

Michael Barile stated that he agreed with the comments made earlier by Mr. Malloy and Ms. Butcher. Mr. Barile stated that he supported the regulation of parades and events. However, stressed the need for compromise. He suggested that the proposed Local Law include under Section 44-11 Duties and Obligations of Parade or Event Permittee/Participants, a clause that calls for the cleanup along the route after a parade, further suggesting the requirement that the applicant post a bond in connection therewith.

Allison Winstanley member of the Northern Westchester-Putnam St. Patrick's Day Parade committee as well as other organizations commented that she supports the proposed Local Law for safety reasons. However, asked that the fee schedule be removed from it. Ms. Winstanley stated that she researched the matter and did not find any other town in the vicinity that charges a fee.

Councilman Schneider asked Ms. Winstanley if her organization could engage volunteers that would fit the criteria he mentioned earlier for traffic safety.

Mr. O'Malley indicated that they are already being utilized.

Councilwoman McDonough cited the efficiencies of this specific organization and cautioned that this would apply to all organizations applying for permits within the Town.

Councilman Schneider stated that in concept, it would be for every event and that if there is a core group of volunteers, every event should be covered. He suggested that the organizations discuss this because it will make a difference in the amount of manpower required from the Town.

Ms. Winstanley once again requested that the section of the proposed Local Law with regard to the fee schedule, be removed in its entirety.

Councilman Lupinacci pointed out that if the fee schedule which is presently proposed with a zero amount was removed, there is no guarantee that a future Town Board would not put one in place. He stated that he understands the reasoning behind a fee, and yet is also against it because of the impact it would have on the organizations conducting the events in the community.

Councilman Lupinacci went on to explain that when the legislation was first proposed, the Police Chief at the time, Michael Johnson estimated that the cost of overtime for all of the events held within the Town to be between \$80,000.00 and \$90,000.00 per year and that charging a fee in connection with them was his suggestion to mitigate it.

**20 JANUARY 2016
TOWN BOARD MEETING**

(Cont.)

Councilman Lupinacci stated that although he participates in many of these events, there are thousands of residents who do not. They, along with residents on fixed incomes may object to their tax dollars being utilized for this purpose. He concluded that overtime within the Police Department is currently under control. Therefore, a zero fee is proposed for this year and will continue to remain at zero for as long as the cost remains under control.

Christine Hickey, member of the Northern Westchester-Putnam St. Patrick's Day Parade committee referenced Section 44-6 Standards for Issuance, and stated that she is concerned about the subjective language under paragraphs A, B and C. Ms. Hickey suggested editing subjective words like "not substantially", "a great number of police officers" and "unduly interferes". Ms. Hickey commented that with this subjective language, the decision to issue a permit should not be made under the opinion of one person, either the Chief of Police or his designee.

Councilman Schneider recalled the impetus behind paragraph B. He stated that an event was proposed that would have called for cutting off the thoroughfare for the entire northern portion of the Town. Councilman Schneider indicated that when a matter applies to public safety, he supported leaving the decision up to the professional opinion of the Chief of Police or his designee.

Dave Nicholas stated that he agreed with Councilman Lombardi's comments with regard to multiple events being held at the same time. Mr. Nicolas commented that the Columbus Day Parade and the Chamber of Commerce's street festival held at the same time and place, closing both Route 6 and Route 6N should not be allowed.

Councilman Lombardi noted that they are not separate events and that they are held in conjunction with each other.

Mr. Nicholas asked if County and State permits are required to close those roads.

Supervisor Schmitt replied that they were. He stated that the Chamber of Commerce obtains State and County permits for their events.

Mr. Nicholas suggested that obtaining the required permits be made a part of the Local Law. He went on to comment that volunteers should be utilized to direct traffic in order to avoid police overtime costs.

Councilman Lombardi indicated that it was union issue.

Supervisor Schmitt thanked the members of the public for their comments and stated that they would be taken into consideration by the Town Board. He stated that the Town Board will continue to work on the proposed Local Law and will schedule a new Public Hearing to address the changes.

Councilman Schneider suggested that Section 44-13 Fee Schedule for Parades and Events, be removed from the proposed Local Law. He stated that if a future Town Board deems it necessary, they may add it back in if they choose to do so.

Councilwoman McDonough stated that she was fine with that.

Tara Keegan, executive board member of the Putnam County Emerald Association suggested that the Town recruit high school juniors, seniors, scouts and sports teams in need of community service credits to assist with the events.

Councilman Lombardi stated that it was a great idea, however clarified that because these events are not Town functions, the individual organizations must solicit the volunteers.

20 JANUARY 2016
TOWN BOARD MEETING

(Cont.)

Supervisor Schmitt stated that the Town utilizes student volunteers to assist with the annual Clean-up and Zoning Code Compliance Week.

Councilman Schneider asked the other members of the Town Board to confirm that Section 44-13 will be removed from the proposed Local Law.

Tracey Walsh stated that the American Cancer Society's Relay for Life organizers utilizes volunteers and that she would be happy to work with Chief Cazzari in connection with their annual event. Ms. Walsh agreed with establishing a working document detailing the specifics of the event as well as utilizing volunteers in conjunction with the Police Department.

Supervisor Schmitt cautioned that many of the traffic posts need to be manned by police officers to ensure that the public will obey the directives given. He clarified that volunteers may be used, but a law enforcement presence is necessary at these events.

With no one else present wishing to be heard on the subject of the Public Hearing, on motion by Councilman Lupinacci, seconded by Councilman Lombardi, with all members of the Town Board present and in agreement, the Public Hearing was closed at 8:15 p.m. Supervisor Schmitt called for a recess. The meeting resumed at 8:26 p.m.

Supervisor Schmitt announced that registration is in session at Sycamore Park for the 2016 Recreation and Parks Department winter classes.

Councilman Lupinacci reminded residents that the recycling container for the disposal of electronic waste is no longer located on Route 6N. It is now located at 48 McAlpin Avenue and residents must discontinue dropping off items at the former location.

Supervisor Schmitt added that the hours of operation for e-waste drop-off is from 10:00 a.m. to 2:00 p.m. on Saturdays. A complete list of acceptable and non-acceptable electronics is available on the Town of Carmel's website at www.carmelny.org.
