Subject: Request for Extension of Wetlands Permit for Construction at
43 Tamarack Road, Mahopac, NY 10541

Dear Sirs/Madams:

You were previously kind enough to grant me a Wetlands Permit relating to construction at my home at 43 Tamarack Road. I believe this permit expires on September 4, 2015. Although I have been diligently attempting to complete the project and much has been accomplished so far, we have been experiencing construction delays and I therefore respectfully request that you grant me an extension of my Wetlands Permit.

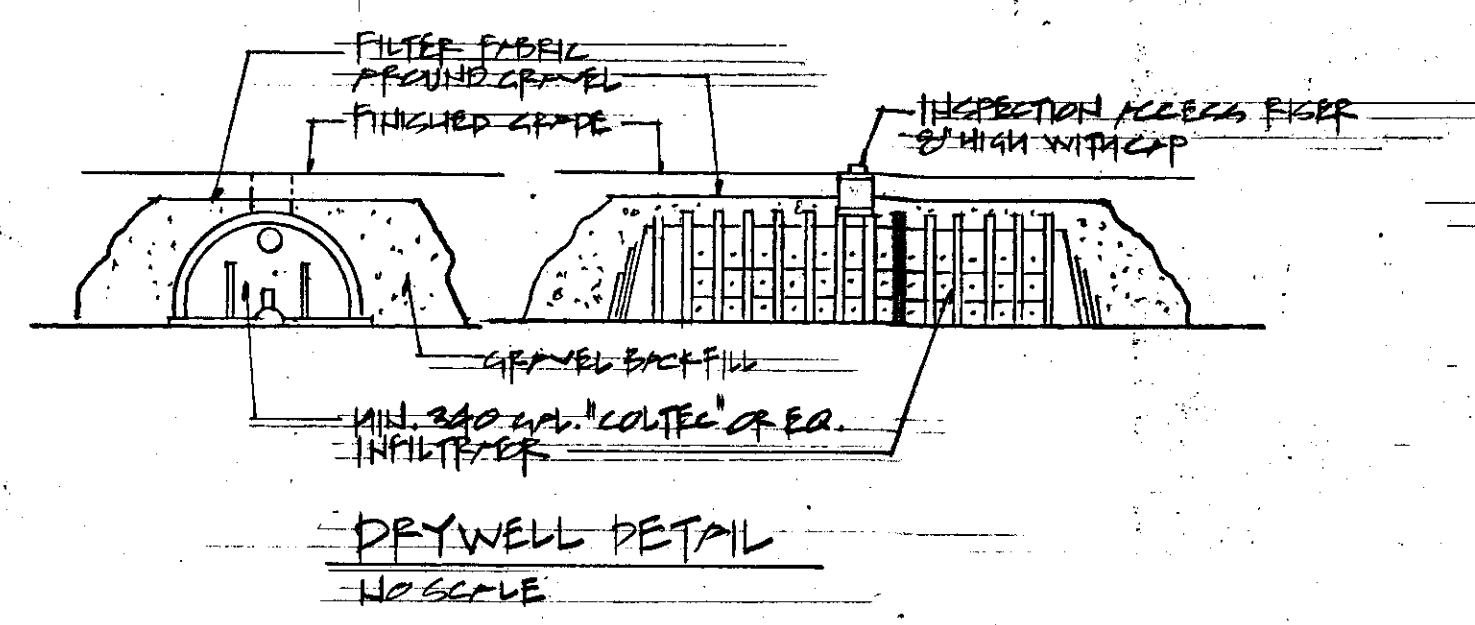

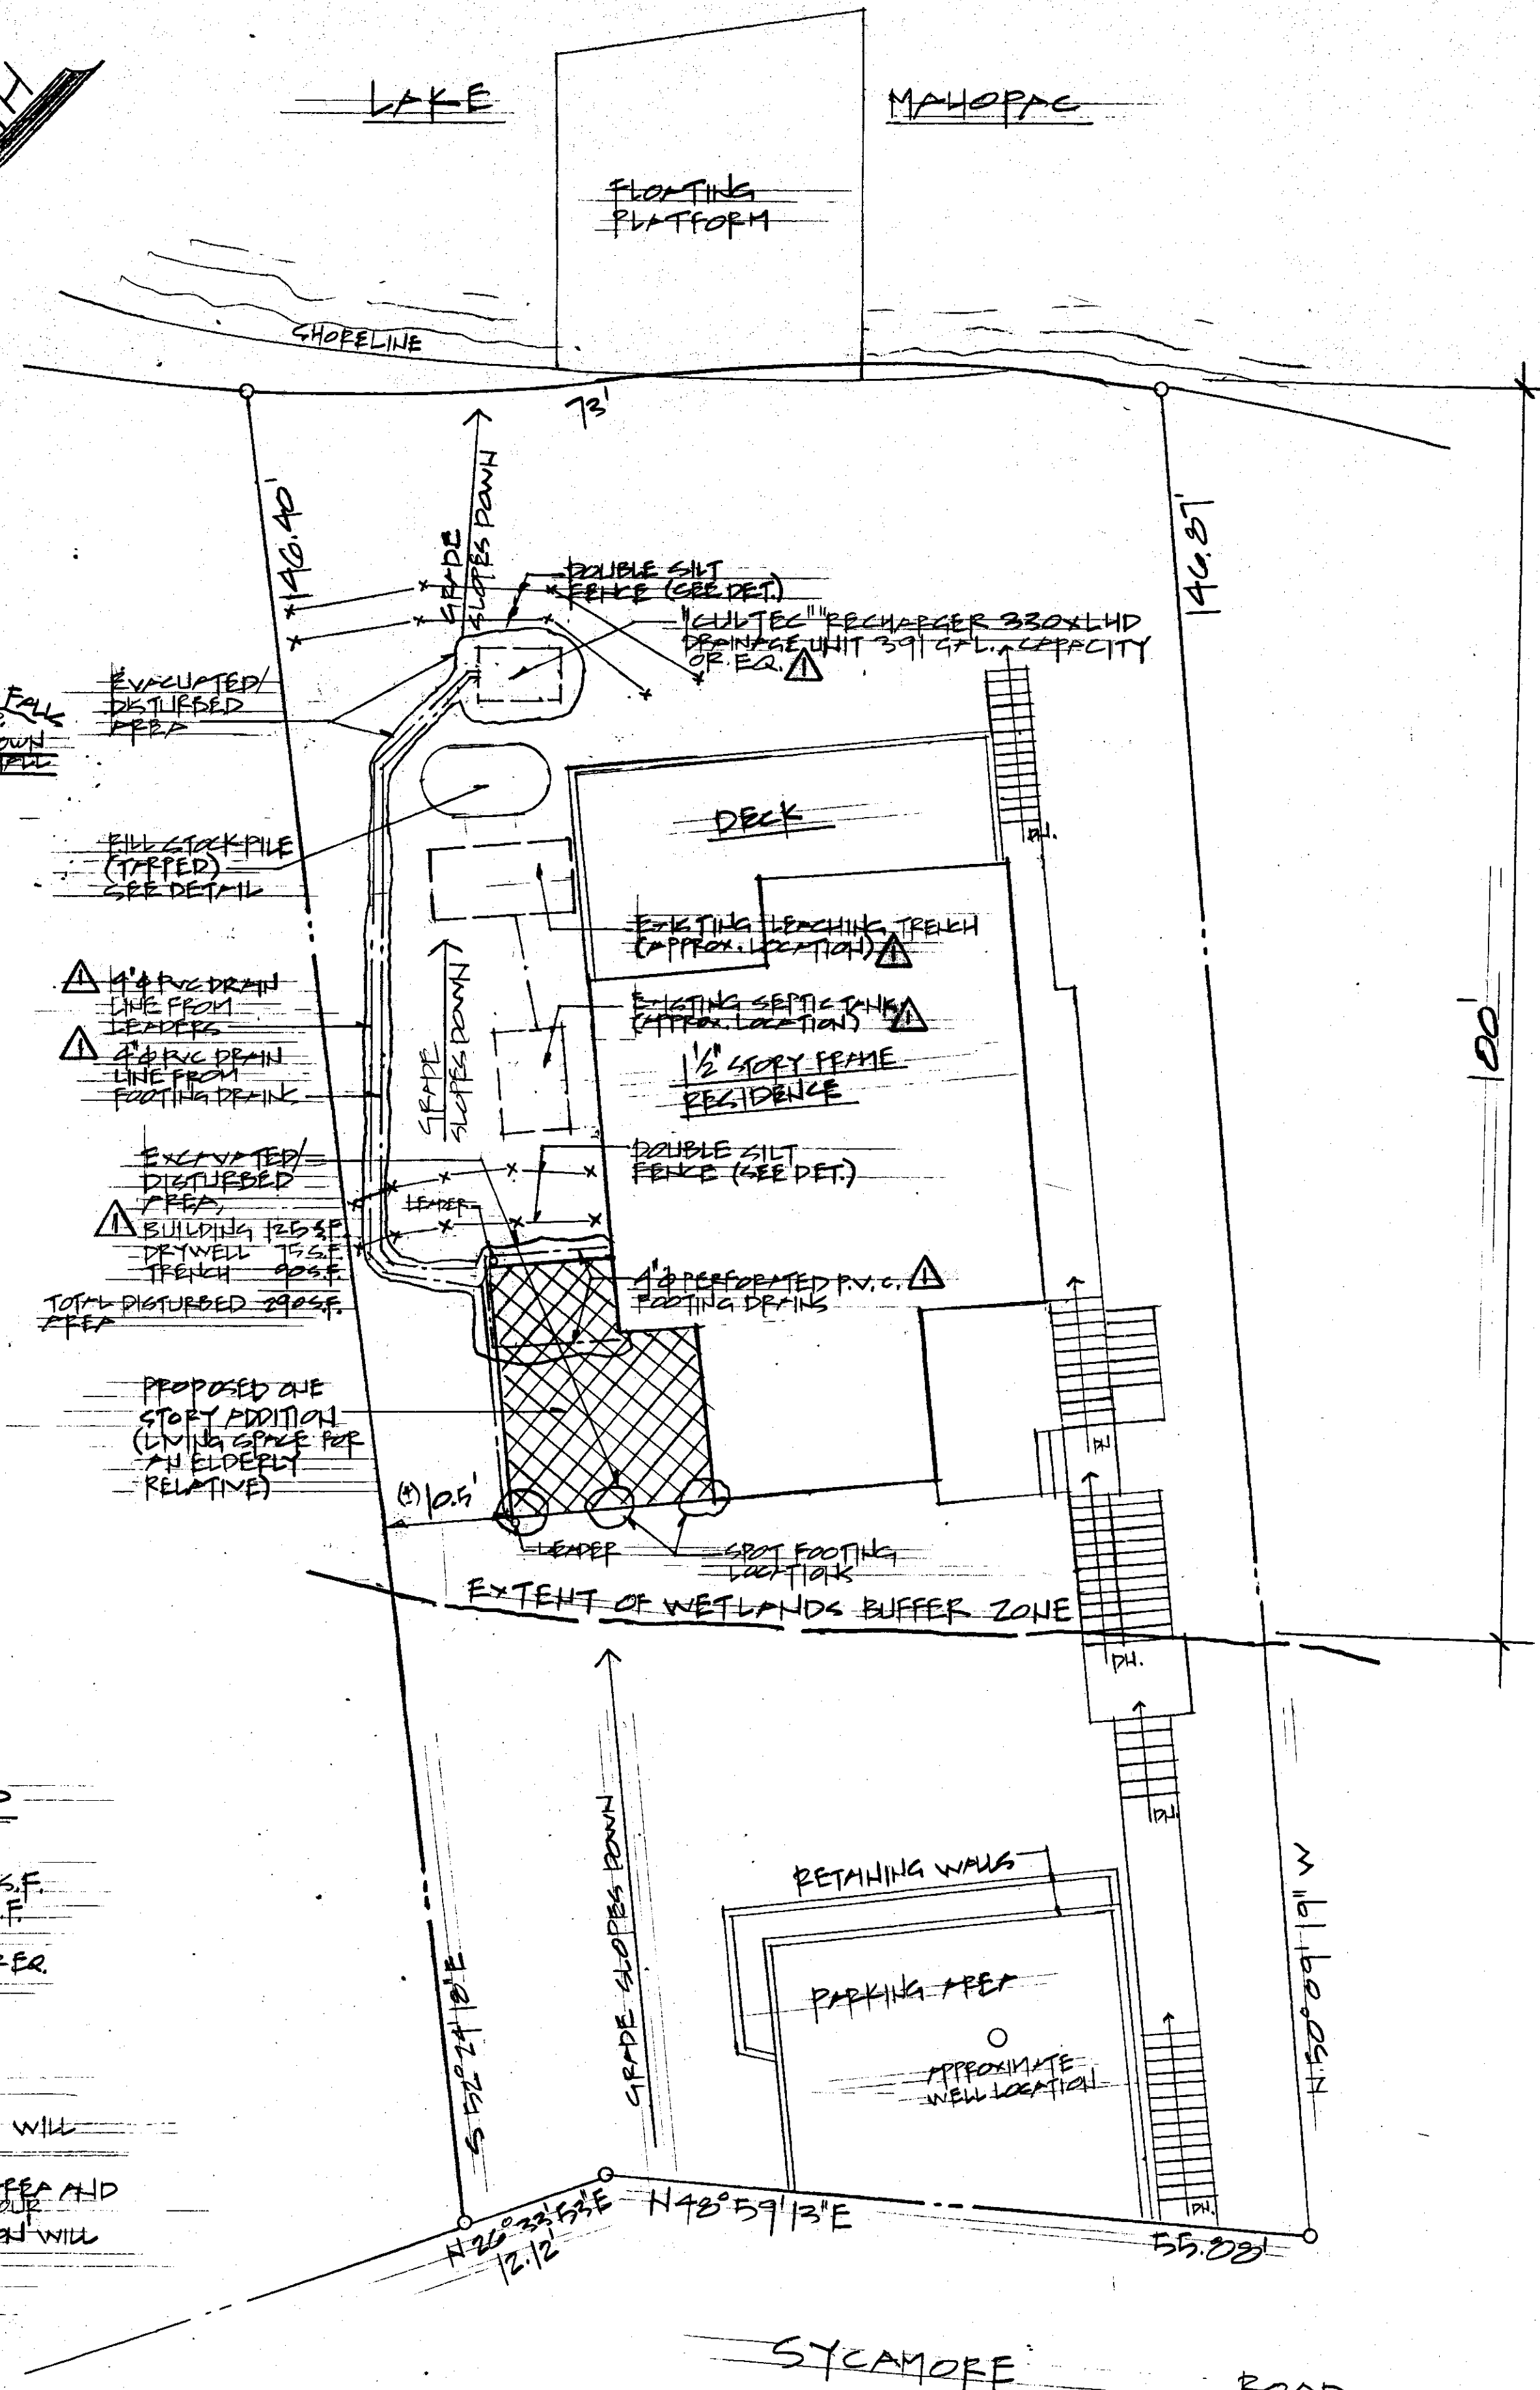

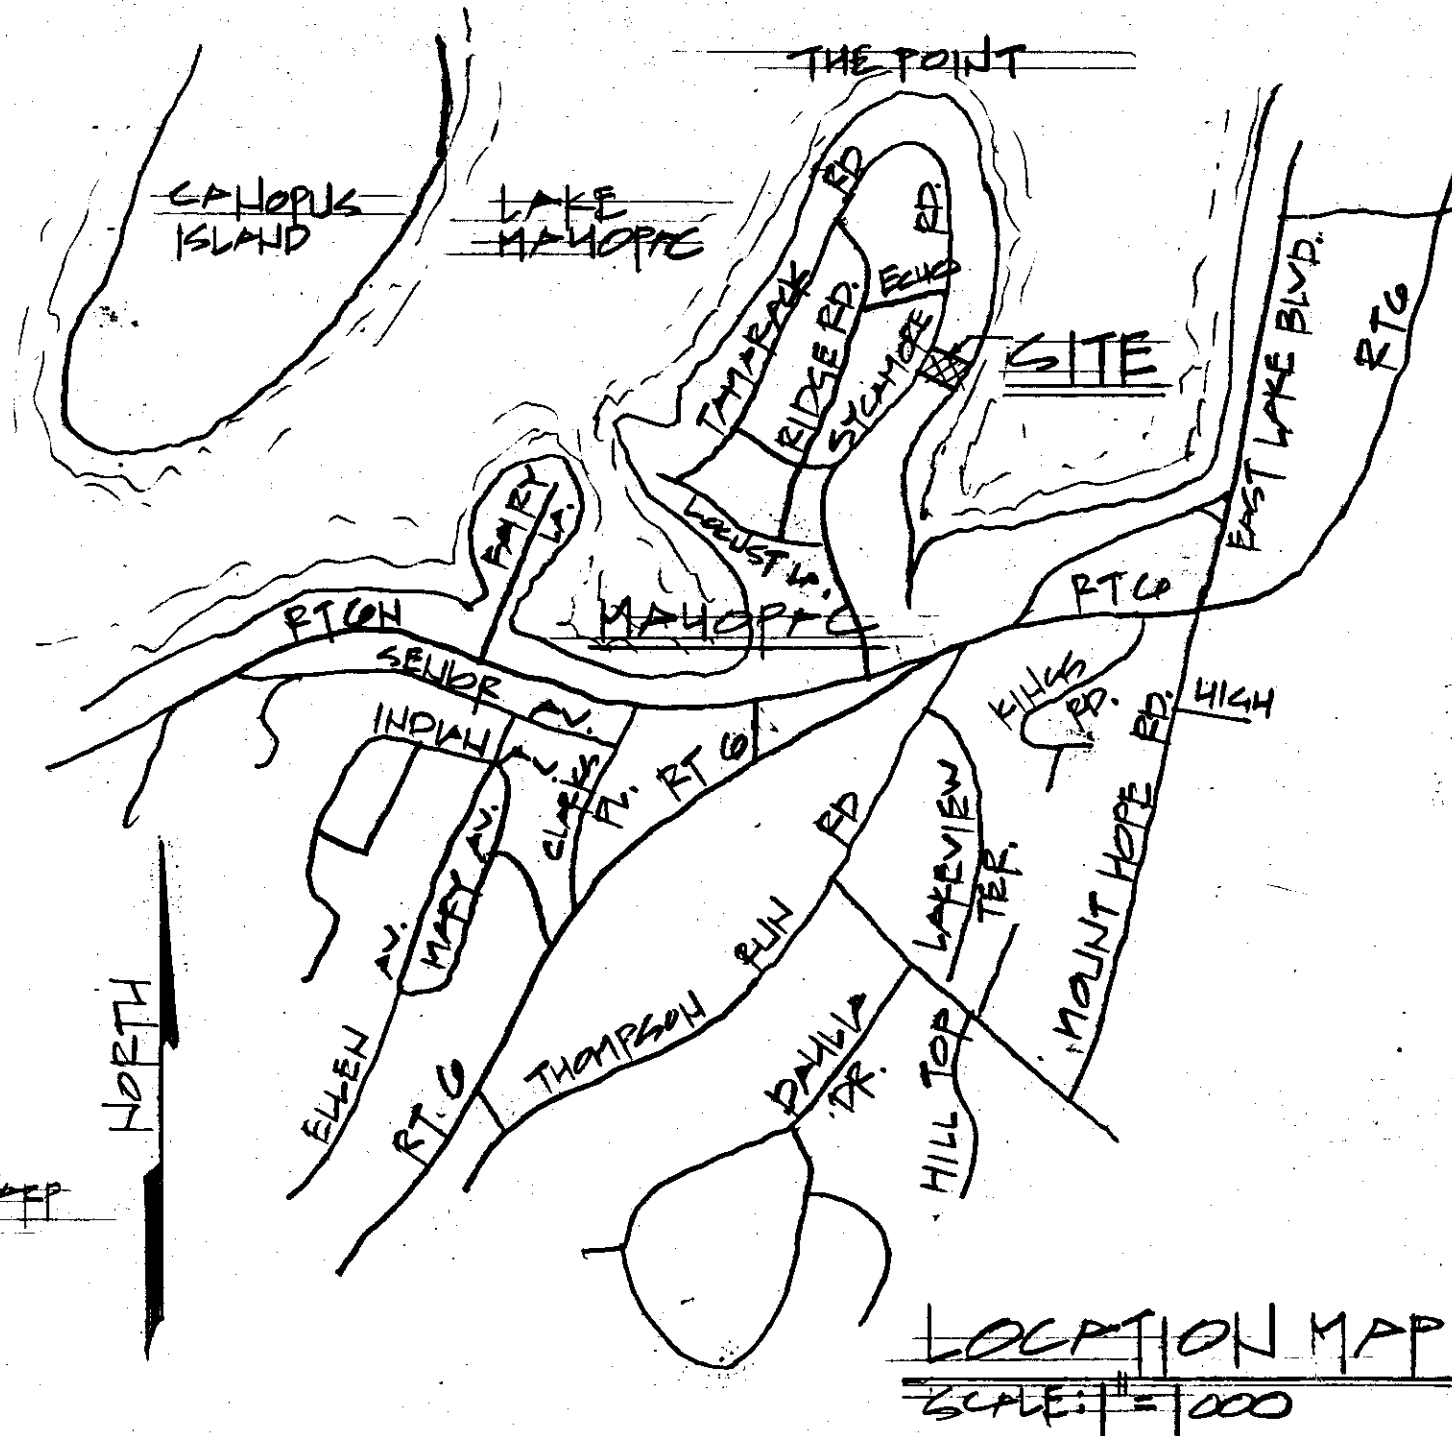

Thank you for your courtesy and understanding.

Robert Frenkel
