

PUBLIC NOTICE-HYDRANT FLUSHING **CARMEL WATER DISTRICT #3**

Please be advised that by order of the Town of Carmel Town Engineer, flushing of hydrants by Inframark is scheduled on the following dates in your area:

05/06/24 THRU 05/10/24

7:00am - 4pm

Secor Rd, Cross Hill, Circle Rd, West Way to Rockledge Rd (Circle to Rockledge Rd), Ivy Hill down to meet Entrance Way

Entrance Way towards Lake Shore Dr. Center Dr. and Rockledge Rd

Topland Rd to North Rd to Orchard Rd & Lake Shore Dr. (all between Rockledge Rd and North Rd)

Streets that may be impacted include:

Underhill Rd, Heath Rd, Fern Ln, Spring Rd, Fair Way, West Way, Meadow Rd, Overland Rd, Forest Rd, Brook Rd, Willow Dr, Birch Rd, Maple Rd W, Oak Rd, Elm Rd, and North Rd.

This routine procedure is performed on a semi-annual basis, in an effort to maintain high water quality standard at the delivery points in your home or business.

Consumers may experience the following temporary effects of the flushing:

- Fluctuation in pressure.**
- Discoloration of the water.**

This does not present a health hazard.

Laundry should not be washed during this time.

In the event of discoloration, water should be flushed at each fixture in the building until a clear water flow is achieved.

If you have any questions, please contact Inframark at (845)-228-0460.
