COMMUNITY RELATIONS x3450

Dear Local Business Owner:

In an effort to better serve our community, the Carmel Police Department would like to attain current contact information for our local business owners. This will allow us to easily contact you in the event of an emergency or security issue regarding your business. For example, during routine patrol, our officers may find that a door to your business has been left open and we would like to be able to contact you to make you aware of the situation.

By filling out and submitting the attached form, we can update our database to better protect your business.

Please send the completed form to our Community Relations Officers and please feel free to contact us with any questions.

PO Macom: em@ci.carmel.ny.us

PO Serio: vs@ci.carmel.ny.us

We look forward to hearing from you.

Sincerely,
