	PHONE #: DAY; EVENING:					
5.						
	Size of lot in acres:					
6.	Current Water District Capital					
	Charge assessment in dollars or units:					

The undersigned property owner(s) acknowledge that he/she/they/it understand(s) that if the property's water district capital charge is reduced to zero and the property is serviced at sometime in the future, either at the District's option or at the request of the owner(s), then the owner(s) or his/her/their/its successor(s), transferee(s), heir(s) and or assign(s) will be required to pay all back capital charges from the date the assessment was

reduced to the date the property is serviced. The undersigned property owner(s), further acknowledge(s) that he/she/they/it understand(s) that any reduction granted hereunder shall continue until one of the following events occur:

- a. the District's water facilities are extended so the property can be serviced;
- b. if the property is vacant land, a building permit is issued;
- c. a site plan is approved for the property;
- d. a subdivision application is approved for the property;
- e. the Town Board further modifies or amends the Water District Capital Charge Ordinance.

Upon occurrence of any of the foregoing, the property's assessment shall be reviewed and set in accordance with the current provisions of the Water District Capital Charge Ordinance.

could derive access.

For purposes of this application, if a water line was under construction at the time of enactment of the enabling ordinance, November 22, 1995, it is deemed to exist for the purpose herein. Subsequent to November 22, 1995, a water line is deemed to exist upon issuance of a Certificate of Approval to Construct issued by either the State Health Department or the Putnam County Health Department.

Date:	TOWN ENGINEER:
	ereby certify that I have examined the foregoing application and hereby application because it does not meet the criteria above.
Date:	TOWN ENGINEER:
STEP 3 -	- TOWN ASSESSOR
If t	he Town Engineer certifies the property is not capable of being serviced
by the wa	ater district's facilities and the property is not benefitted, the Town
Assessor	shall:
a.	reduce the property's water district capital charge assessment to zero units;
b.	notify the applicant(s)
	file the original application in his office and make note of the reduction on the property card;
d.	forward a copy of the fully processed application to the Building Department and to the Town Engineer who shall keep said copies on file permanently.
l h	ereby certify the foregoing has been done.
Date:	Town ASSESSOR:

If the Town Engineer denies the application, the Town Assessor shall:

- aa. notify all applicant(s);
- bb. file the original application in his office;
- cc. forward a copy of the fully processed application to the Building

  Department and to the Town Engineer who shall keep said copies
  on the file permanently.

I hereby certify the foregoing has been done.
